MEMORANDUM FOR: Comptroller
National Reconnaissance Office

SUBJECT : FY 1964 Third Quarter Fund Requirements

25X1A 1. Transmitted herewith are schedules reflecting what we consider to be our minimum cash requirements for the Third Quarter of FY 1964. With the exception of IDEALIST, DRAGONLADY and [] the amounts requested represent one-half of the unfunded balance of the approved DNRO Program.

25X1A [] 2. The projected deficit which I related to you in [] 684-63, dated 22 November 1963, is still a matter of concern which we must address ourselves to in the very near future. The funds being requested herewith, however, do not cover any of this deficit.

3. I have requested that 1080 Vouchers be forwarded to you in the amounts reflected on the Summary Schedule attached.
